NORTH TOPSAIL BEACH TOWN MANAGER SUBMITS RESIGNATION

Town Manager Stuart Turille submitted a letter of resignation from his position December 1, 2017. As stated in his announcement, the effective date will be January 1, 2018 (his employment contract requires 30 day notice). Turille indicated he is open to staying longer “if necessary to maintain organizational continuity and equilibrium in work load.” Turille indicated that he has met all of the goals he made for the organization over the last year and indicated “it is time for a change.”

Turille has worked for the Town since April 2013. Daniel Tuman, who was elected mayor in November 2017, was mayor at the time Turille was hired at North Topsail Beach. “I found him to be a hard-working and dedicated employee. I wish him the best of luck for the future,” stated Tuman.

Current Mayor Pro Tem Richard Macartney has served the Town the entire time Turille was manager. “This announcement surprised me as Mr. Turille has a great record of accomplishment in this town but I respect his desire to improve his professional development.”

The North Topsail Beach Board of Aldermen is expected to discuss how the Town will proceed in a closed session at its December 6, 2017 regular meeting.
